

**UNITED STATES – FINAL ANTI-DUMPING MEASURES  
ON STAINLESS STEEL FROM MEXICO**

Request for the Establishment of a Panel by Mexico

Corrigendum

The last paragraph on page 2 of above-mentioned document should read as follows:

"The calculation of the methodologies described above were applied by the United States respectively for determining the dumping margin in the original anti-dumping investigation and for the final results of the administrative reviews listed in the annex attached hereto."

In the third line of the first paragraph on page 6, replace "6.02 per cent" by "-6.02 per cent".
